TRADITION - SAFETY - VALUE

In the past 25 years PAC has grown from the basement of company founder Dick Young to an operation with over 600 points of distribution in North America and sales in 38 countries around the globe. All this based on the concept of offering Top Quality products combined with the very best Customer Service. The cornerstone of all this is based on our outstanding staff members. They are committed to giving our customers the very best in assistance and overall customer service.

Our history of innovation and our collective experience guide PAC to create products to outlast and outperform. You can expect high quality and value when purchasing PAC products. We are highly recognized in the industries we serve for our attention to detail and overall customer service. Additionally, PAC products are tested to the highest standards and are compliant with National Fire Protection Association (NFPA) 1901 standards and MIL-S901D military shock specifications. And PAC offers a LIFETIME WARRANTY! If any PAC product fails under normal use it is replaced, free of charge.

In recent years we have grown beyond the Fire Market. We have applied our tool mounting knowledge to customers in Law Enforcement, Towing and Tow Vehicles, Homeland Security, Public Utility and the Green Industry, too. Check us out today!!
